Discover poetry in motion—the ancient art of mosaic design

Jessica Mazurkiewicz

Thousands of years ago, the Greeks and Romans introduced a style of design that began with simple pebbles and colored stones. Today, mosaic art is a time-honored craft treasured throughout the world. Spiraling pinwheels, exploding geometrics, undulating waves, rhythmic zig-zags, and circular pathways are just some of the intriguing motifs you'll find in this imaginative collection of thirty images. Sure to satisfy creative colorists, the showcase will also serve as a source of inspiration for designers.
